## 2015 PLUS 50 WORKSHOPS

Piedmont Technical College is honored to be a participant in the Plus 50 Encore Completion Program, a national effort to help baby boomers earn degrees or certificates in high-demand fields.

We are pleased to offer the following FREE workshops for PTC students age 50 and up:

**January 28:** Getting to Know Your Calculator

**February 19:** Computer Skills

**March 17:** Test Anxiety

**April 1:** Learning Styles

**June 4:** Time Management

**July 15:** Memorization Tips

**August 26:** Being a Successful Online Student

**September 10:** Learning Styles

**October 7:** PTC Library Resources

**November 11:** Test Anxiety

All workshops take place on the Greenwood campus during the lunchtime activity period. For workshop details, contact Janean Reish at [reish.j@ptc.edu](mailto:reish.j@ptc.edu) or submit the online workshop form found on the Plus50 webpage.

The Plus 50 program is sponsored by the  
American Association of Community Colleges.
