Online Learning FAQ!!

Is online learning right for me??
Online students must be independent and self-motivated learners. Online learning provides teacher guided, interactive coursework with constant participation required.

How often should I login to my course?
You must enter class the first week and complete assignments every week by the due dates.

How do I take my classes?
Piedmont uses Desire to Learn (D2L) to enhance your online learning experience. You can interact with your instructor and classmates via discussion boards, content, email, and much more. Please visit us online for more information.

Below are the steps to access your online course:

1) Go to _www.ptc.edu_ and select the D2L link at the top of the page.

2) Your D2L username is your P# and your password is your birth date as follows: mmddyy. If you do not know your P# go to our ID lookup and follow the steps to obtain your PTC ID or P#.

3) How do I get Technical Support? Go to Technical Support and submit a helpdesk ticket. To reach the Helpdesk by phone please call (864) 941-8627.
