B. County Campuses

In the absence of the President or Vice President of Business and Finance, the following administration in sequence should be used for decisions affecting the County Campuses.

1. Dean of the County Campuses
2. Director of the County Campus

Procedure

The Campus Police and Security Department plays a key role in protecting the campus and its occupants during emergency or crisis situations which develop. Such situations include natural acts and those which may be created by the actions of persons. A Comprehensive Emergency Operational Plan has been developed for the purpose of articulating specific procedures to be observed, as circumstances require. This plan is a part of the Campus Police and Security Office Directive and establishes guidance to the faculty/staff, students and visitors in the event of an emergency.
