

Journey – Title III Grant Overview

(YEAR 2) Academic year 2012-2013	(YEAR 3) Academic year 2013-2014	(YEAR 4) Academic year 2014-2015	(YEAR 5) Academic year 2015-2016
Pilot Case Management system with 30 - Engineering Technology students	Pilot Modified Case Management system with 30- Associates of Science students	Pilot Modified Case Management system with 30-Pre-ADN; Pre-RES; Pre- RAD students	Pilot modified Case Management system with 30 - Engineering Technology students
Pilot Assessment System – Engineering Technology students	Pilot Modified Assessment system with Associates of Science students	Pilot Modified Assessment system with Pre-ADN; Pre-RES; Pre- RAD students	Pilot Modified Assessment System – Engineering Technology students
Mentors assisted in Engineering Technology labs & Math 032 courses	Pilot - First Year Experience (COL 103) course with STEM focus to pilot (90 students)	Pilot Online version of First Year Experience Course to pilot (90 students)	Pilot Learning Community to pilot with Engineering Technology and Associate of Science – 30 students
Develop - First Year Experience (COL 103) course with STEM focus to pilot in year 3	Pilot – Financial Aid/Literacy program to pilot with 300 students	Pilot Learning Community for Health Science cohort – 30 students	Summative Project Evaluation
Develop – Financial Aid/Literacy program to pilot with 300 in year 3.	Develop & build Learning Community to pilot in Health Science cohort in year 4. Possible renovations of a space for this.	Develop Learning Community to pilot with Engineering Technology and Associate of Science in year 5.	
	Develop Online version of First Year Experience Course to pilot in year 5.		
All students listed below will be tracked for the duration of the grant			
30 students in Engineering Technology cohort	30 Students in Associates of Science	30 students in Pre-ADN: RES;RAD	30 – Engineering Technology cohort
	3 classes of FYE – total 90 students	Online FYE – total 90 students	30 students pilot Learning community – same?
	300 students in Financial Aid/Literacy program	30 students pilot Learning community – same?	
Total of 660 students involved in all grant pilots and tracked during a 4 year period(1st year planning stage)
