

Adult Echocardiography

State	Licensing Agency/Board	Does PTC's Cardiovascular Adult Echocardiography program meet the licensure requirements of the state?
Alabama	Alabama does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Alaska	Alaska does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
American Samoa		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in American Samoa. Students located in American Samoa should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements will be met.
Arizona	Arizona does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Arkansas	Arkansas does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
California	California does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Colorado	Colorado does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on

Adult Echocardiography

		Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Connecticut	Connecticut does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Delaware	Delaware does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
District of Columbia	The District of Columbia does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Florida	Florida does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Georgia	Georgia does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Guam		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in Guam. Students located in Guam should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements will be met.
Hawaii	Hawaii does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT).

## Adult Echocardiography

		Piedmont Technical College is accredited by SACSCOC.
Idaho	Idaho does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Illinois	Illinois does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Indiana	Indiana does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Iowa	Iowa does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Kansas	Kansas does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Kentucky	Kentucky does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Louisiana	Louisiana does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT).

Adult Echocardiography

		Piedmont Technical College is accredited by SACSCOC.
Maine	Maine does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Republic of the Marshall Islands		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in the Republic of the Marshall Islands. Students located in the Republic of the Marshall Islands should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements will be met.
Maryland	Maryland does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Massachusetts	Massachusetts does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Federated States of Micronesia		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in Federated States of Micronesia. Students located in the Federated States of Micronesia should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements will be met.
Michigan	Michigan does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.

Adult Echocardiography

Minnesota	Minnesota does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Mississippi	Mississippi does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Missouri	Missouri does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Montana	Montana does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Nebraska	Nebraska does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Nevada	Nevada does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
New Hampshire	<a href="#">Board of Medical Imaging and Radiation Therapy New Hampshire Office of Professional Licensure and Certification</a>	PTC's Cardiovascular Adult Echocardiography program meets the educational requirement for licensure as a registered diagnostic cardiac sonographer in New Hampshire. PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on

Adult Echocardiography

		Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
New Jersey	New Jersey does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program meets the educational requirement for licensure as a registered diagnostic cardiac sonographer in New Hampshire. PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
New Mexico	New Mexico does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program meets the educational requirement for licensure as a registered diagnostic cardiac sonographer in New Hampshire. PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
New York	New York does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
North Carolina	North Carolina does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
North Dakota	<a href="#">North Dakota Medical Imaging and Radiation Board (NDMIRT)</a>	PTC's Cardiovascular Adult Echocardiography program meets the educational requirement for licensure as a registered diagnostic cardiac sonographer in New Hampshire. PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by

Adult Echocardiography

		SACSCOC. National registry from ARRT, ARDMS, CCI, or NMTCS are required.
Commonwealth of the Northern Mariana Islands		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in the Commonwealth of the Northern Mariana Islands. Students located in the Commonwealth of the Northern Mariana Islands should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements will be met.
Ohio	Ohio does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Oklahoma	Oklahoma does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Oregon	<a href="#">Oregon Board of Medical Imaging</a>	PTC's Cardiovascular Adult Echocardiography program meets the educational requirement for licensure as a registered diagnostic cardiac sonographer in New Hampshire. PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Republic of Palau		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in the Republic of Palau. Students located in the Republic of Palau should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements for licensure are met.
Pennsylvania	Pennsylvania does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT).

Adult Echocardiography

		Piedmont Technical College is accredited by SACSCOC.
Commonwealth of Puerto Rico		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in Puerto Rico. Students located in Puerto Rico should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements for licensure are met.
Rhode Island	Rhode Island does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
South Carolina	South Carolina does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
South Dakota	South Dakota does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Tennessee	Tennessee does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Texas	Texas does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Utah	Utah does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT).

Adult Echocardiography

		Piedmont Technical College is accredited by SACSCOC.
Vermont	Vermont does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Virgin Islands		It is <b>unknown</b> if PTC's Cardiovascular Adult Echocardiography program meets the educational requirements for licensure in Puerto Rico. Students located in the Virgin Islands should determine the educational requirements for licensure before seeking program admission and discuss those requirements with program faculty to determine if educational requirements for licensure are met.
Virginia	Virginia does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Washington	Washington does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
West Virginia	West Virginia does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Wisconsin	Wisconsin does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the recommendation of the Joint Review Committee on Education in Cardiovascular Technology (JRC-CVT). Piedmont Technical College is accredited by SACSCOC.
Wyoming	Wyoming does not license Cardiovascular Technicians.	PTC's Cardiovascular Adult Echocardiography program is accredited by the Commission on Accreditation of Allied Health Education Programs (CAAHEP) upon the

### Notes:

This document represents a good-faith effort to share requirements for licensure in other states and US Territories. Additional requirements for licensure not outlined in this document may be required or required. Applicants may be asked to submit fingerprinting and criminal record background checks, answer questions about past criminal convictions, submit additional documentation, pay licensure, certification, or registration fees, submit a Social Security number, abide by codes of conduct, or meet additional requirements not outlined in this document.

Applicants from out of state and the US territories are advised to review the information in the table and confirm Cardiovascular Adult Echocardiography technician registration, certification, and/or licensing requirements in their home states/territories before enrolling in this or any educational program, as state and territory licensing requirements and boards or agency responsibilities may have changed since the information in this document was last updated.
