TITLE IX HARASSMENT AND SEXUAL ASSAULT INFORMATION

In accordance with Title IX of the Education Amendments of 1972, Piedmont Technical College does not discriminate on the basis of sex in its education programs or activities. Title IX protects students, employees, and applicants from sex discrimination in admissions and employment to include discrimination based on gender identity or failure to conform to stereotypical notions of masculinity or femininity. More information regarding Title IX, including contact information for the Title IX coordinators, is available at [Title IX Harassment and Sexual Assault Information](https://www.ptc.edu/about/legal-disclosures/title-ix-harassment-and-sexual-assault-information) (<https://www.ptc.edu/about/legal-disclosures/title-ix-harassment-and-sexual-assault-information>).

RATIONALE

Why do I need this course?

There are many options available to veterinary technicians in the field of veterinary medicine. By exploring different career paths students will be more inclined to remain in the profession. By exploring the history of veterinary technology, students will see the important strides made in the profession and gain a better understanding of the important role they play as veterinary technicians. By exploring the leadership skills required in the profession students will be prepared to communicate more effectively and develop the personal and professional ethics needed to be successful in veterinary medicine.

PROGRAM INFORMATION

For program information including required courses, program learning outcomes, gainful employment information and advisement information, refer to the Academic Program webpage. Go to [Academics](http://www.ptc.edu/academics) (<http://www.ptc.edu/academics>), select your program, and then select Credentials Offered.

COURSE STUDENT LEARNING OUTCOMES

Upon successful completion of this course and/or clinical, each student will be able to:

- Apply medical ethic and law specific to the practice of veterinary technology.
- Demonstrate knowledge and skills needed to successfully pass the VTNE and State Board exam.
